THE REVEREND STEPHEN CONDUCT WALKE

MRS. SALLIE CELESTIAL PORTER

To our true friend, Mrs. Sallie Celestial Porter, we, the Seventh Grade of Ravenscraft School, with love and sincere appreciation, dedicate **THE RAVEN** of 1954: For her quiet Christian character; for her living example of kindness and thoughtfulness; for her willingness to help at any time; for her delight in making others happy; for her patience with us through the years; we salute her!

RAVENSCROFT SCHOOL

HISTORICAL SKETCH

FOR a new school, Ravenscroft has an old and interesting historical background. In his last will and testament, probated in Wake County in the year 1862, Josiah Watson, a communicant of Christ Church, established a trust to run in perpetuity, the income from which under the terms of the trust, was to be used for the operation of a parish school by Christ Church. For a number of years thereafter Christ Church operated a parochial school, but near the close of the century the school was discontinued. The fund lay dormant for many years, during which the income was used for the operation of the church school and for other religious purposes.

In October, 1936, the Reverend John Armstrong Wright became Rector of Christ Church Parish. Within a short time he learned of the Watson Trust, and immediately started a campaign to establish a new parochial school. The Vestry of Christ Church authorized Mr. Wright to investigate the possibilities of such a school, and appointed a committee to assist him. The Committee was composed of E. U. Ragland, Charles R. Bugg, James R. Bynum, A. L. Purrington, Jr., Aldert S. Root, Perry E. Seagle, and J. M. Sink, Jr. The Committee approved the organization of the school and selected as its site the Edgar Haywood Memorial Parish House on Tucker Street. With the financial assistance of the vestry of Christ Church numerous repairs were made to the property and modern equipment was purchased.

After much consideration, the school was named "Ravenscroft" in honor of the first Bishop of the Diocese of North Carolina of the Protestant Episcopal Church, and the first rector of Christ Church. The school opened on Monday, September 13, 1937, with an enrollment of 130 students, increased to 135 by the end of the school year.

RAVENSCROFT FACTS

"The soul of education is the education of the soul."

1. Ravenscroft School was established 1937.
2. Faculty members hold State Certificates—A rating. No inexperienced teachers are employed. Preparation, experience and ability rank them at the top.
3. Combines best elementary education with religious training, including daily service in church, with definite religious instruction in the classroom.
4. Enrollment limited. This insures individual instruction, which gives students better opportunity for promotion.
5. Class lessons in music and art given each class. Glee Club open to students of upper grades. Private lessons in music and art may be arranged for with additional charge.
6. Each group on the playground is supervised at all times by classroom teacher.
7. Excellent cafeteria operated at low cost by trained dietitian—under supervision of school authorities.
8. Every effort is made to promote health of children.
9. Has two Brownie Scout troops and one Girl Scout troop. Members of fifth, sixth and seventh grades serve on school Altar Guild.
10. Courses in elementary French and Spanish are available to students in upper grades.
11. Students have an active chapter of American Junior Red Cross.
12. Faculty cares for children for a reasonable length of time during after school hours until called for by parents.
13. The total enrollment of children having attended Ravenscroft is more than 2,500.
14. The influence of the religious training is incalculable.
15. The Rector of Christ Church is likewise the Rector of the school.

JOHN STARK RAVENSCROFT

John Stark Ravenscroft, the first Bishop of the Episcopal Diocese of North Carolina, was born May 17, 1772, at "Ravenscroft," the family estate near what is now Petersburg, Virginia. As a child he was taken to Ireland by his family, where at eight years of age he lost his father. He spent the remainder of his boyhood in Ireland and there received his early education from his mother.

At seventeen he returned to America to equip himself to take care of his family's property in Virginia and entered William and Mary College. After a year or so at William and Mary, he returned to "Ravenscroft" and managed the plantation. In February, 1816, he was licensed Lay Reader by the Bishop of Virginia and in April of that year he was ordained Deacon. At Fredericksburg, Virginia, in May, 1817, he entered the priesthood.

The newly formed Diocese of North Carolina elected him its first Bishop on May 22, 1823, and for seven years he labored to lay the foundations on which the work of the Episcopal Church in North Carolina has been built. He died on March 5, 1830, at the house of his friend, Gavin Hogg, at Raleigh, and was buried under the chancel of Christ Church of which he had been Rector.

EDGAR HAYWOOD MEMORIAL PARISH HOUSE

The Edgar Haywood Memorial Parish House at St. Saviour's in Raleigh was built, fully equipped and donated by Ernest Haywood as a memorial to his brother, Edgar Haywood, and was dedicated on August 14, 1927, by the Right Reverend Joseph B. Cheshire, Bishop of North Carolina.

TUITION AND REGISTRATION

The school is not operated for profit. It is anticipated that any net income will be used to provide additional facilities for the children who attend the school. For the year 1954-55, registration fee will be \$15.00 for the first semester and \$15.00 for the second semester, basic tuition will be \$15.00 per month for kindergarten through 7th grade. First child \$15.00, second \$10.00. Tuition is payable in advance.

It is believed that registration for the year 1954-55 will exceed the limited enrollment. Until May 25, present students of Ravenscroft will be shown a preference. After that date, to assure a full enrollment, no preference can be given. Therefore, patrons are urged to register their children before May 25.

After June 1st address the principal at 1901 St. Mary's St., or call 8115. If no answer, call the church office, 2-4078.

DEEDS

By DAVID CHARLES HITCH

There once was a grade number seven,
Whose members all went to heaven.
This grade was known
By the deeds it had sown—
Famous people—the six and eleven.

"TOOT"

By BETSY POE

There once was a girlie named "Toot,"
Who was having trouble with her foot,
Her foot was turning blue,
(This story is not true)
But, now it is black as the soot.

TO BETSY POE

By MR. WALKE.

There was a young lassie we know,
Who chopped off her toe with a hoe ;
She bled and bled
As she gorely sped
To her home in the mansion of Poe.

THE LITTLE DOG

By MARY LOU DORRIS

Once there was a little dog
Who wanted to eat a hog.

Once he did

An' now he's rid

From that old England smog.

Don't miss half the fun in life —

It's a fact! Good dancers are more popular, have the best times. And it's so easy—and such fun—to become a popular dance partner. At the friendly Arthur Murray Student Parties people who once were shy, couldn't even dance not long ago, now have wonderfully exciting times! For they've learned the latest popular steps and the shortcut to popularity from Arthur Murray. They've developed poise and self-confidence.

Yes, dance lessons develop personality, are loads of fun, too. You learn so quickly, because of Arthur Murray's simple Magic Step method. You can actually go dancing after only one lesson. Each lesson is like a party in itself. So don't go on missing half the fun in life. Be more popular than ever! Come in for your first lesson today! Arthur Murray Studios,

"I'm delighted when a shy, bashful pupil responds to my instruction and becomes a more confident and popular dancing partner," says Florence Jennings.
